Personal Info:

I have loved every second of working at ACE, and it has brought me many things including some best friends. I am the Head Freshman Coach at Nolan Catholic High School, which makes me even more excited about this club year because I thoroughly enjoyed this age group. I am currently engaged, and will get married in late 2012. Between work, planning a wedding, and school, I love photography and hope to make a living from it someday.

Favorite coaching ideas and quotes:

“The more you sweat in practice, the less you bleed in battle.”

“What lies behind us and what lies ahead of us are tiny matters compared to what lives within us.” – Henry David Thoreau
